_____
(Signature)

The Native Hawaiian Bar Association's objectives and purposes reflected in this articles, are as follows:

A. To promote unity, cooperation and the exchange of ideas among lawyers and others in the legal profession of Hawaiian ancestry.

B. To strive for justice and effective legal representation for all people of Hawaiian ancestry.

C. To provide a forum for the discussion, examination and resolution of issues of concern to people of Hawaiian ancestry through meetings, publications and individual contact.

D. To promote the development of law for the maximum benefit of people of Hawaiian ancestry.

E. To gather funds and to disseminate funds in furtherance of the above purposes.

F. To educate and inform the community-at-large of Native Hawaiian Bar Association activities through the gathering and dissemination of funds, including research grants and the like.
